Where do you fit in?

Have you ever nearly finished a puzzle, only to discover that one piece is missing? Even one small piece can make the whole picture feel incomplete.

The same is true of God's Kingdom. When we belong to Jesus, we become part of His body, the church, and we belong to one another.

Paul reminds us in 1 Corinthians 12:27, *"Now you are Christ's body, and individually members of it."* Just as our physical bodies have many different parts, each with its own purpose, the church is made up of people with different gifts, abilities and experiences. Jesus is the head of the body, guiding us as we follow Him. .

Today, we also celebrate those being ordained and inducted as elders. They have responded to God's call to serve, care for, encourage and guide our congregation. Their role is important, but they cannot do it alone. They need our support, encouragement and prayers.

This all means that work of God's church belongs to all of us. We are all members of Christ's body, and together we can help St Columba grow and flourish, bringing glory to God.

So, to everyone who contributes to the life of our church, thank you for your time, gifts, love and service.

Just as a puzzle needs all its pieces to complete the picture, our church needs each of us.

So where do you fit in, and how can you use your gifts to help St Columba become a growing, thriving church that serves God and others?
