Notice for Communion—first Wed of month

Who cherishes the power of praying with someone else? Who values the smoothness of running services? It all comes down to the faithfulness and passion of people coming together to share the love of Christ and the majestic nature of God - people praising and interceding together for our people, our services, our speakers etc. Never underestimate the loving grace that the Lord bestows on those who join in prayer. 8.45am Sunday mornings and 9am Friday mornings, come along and join the powerhouse of our lives.

St John's Anglican are hosting WDP this year if you would like to be involved.

World Day of Prayer: Friday 5th March - beginning with Morning Tea at 9.30am followed by the Service at 10am

Planning meetings: Friday 19th & Friday 26th February at 10am in the church lounge.

Ruth would like to thank everyone for being so flexible and willing over the Christmas/ New Year period. Your faithfulness is appreciated.

Remember to check out our webpage for sermons and other info. If you would like to check the bulletin or relisten to a sermon -it is all there.

Mid Week Communion is coming up on the 3rd of March

Everyone is welcome to attend at 10am in the Chapel.

MODERATOR'S PASTORAL MESSAGE COVID-19 IN OUR COMMUNITY

Greetings dear brothers and sisters in Jesus Christ our Lord and our Saviour.

As we face once more the reality of Covid-19 in our community, we keep each other in our prayers, and uphold one another in our hearts. Our strength and our resolve is in our Lord. He says, "Come to me all who are weak and weary". Matthew 11: 28.

We are fortunate that coronavirus (Covid-19) has not spread throughout our country but let us not forget that we need to remain vigilant as this virus wreaks havoc around the world causing suffering and death. This invisible foe causes devastation at every level of humanity, irrespective of wealth, status or age. As a global human race we are all in the same storm.

Let us not be complacent in the face of a new more serious virus variant reaching our shore. New Zealand has fared better than most other nations, let us do what we can to keep it that way. Please keep trusting those called to lead us at this time. Heed the guidance and lead of our health specialists, follow advice from them. We must abide by our Government's civic oversight over us all. Be courageous and be strong.

In your local vicinity, be wise, be careful in the care of each other. Precaution and safety are paramount in our service to one another. Soothe anxiety and uncertainty by sharing the actions we can take and ways we can look after ourselves and others - see accessible guidance below in many languages.

Rise up in your bubble, your family, your community, and in your church, as a leader. Find ways to connect to each person... safely.

Let us keep each other in our prayers. Our love and our prayers to all.

Blessings
