A little technical, but important aspect of our message today, printed for your evaluation and testing.

The function of our personal spirit and spiritual heart is of vital importance.

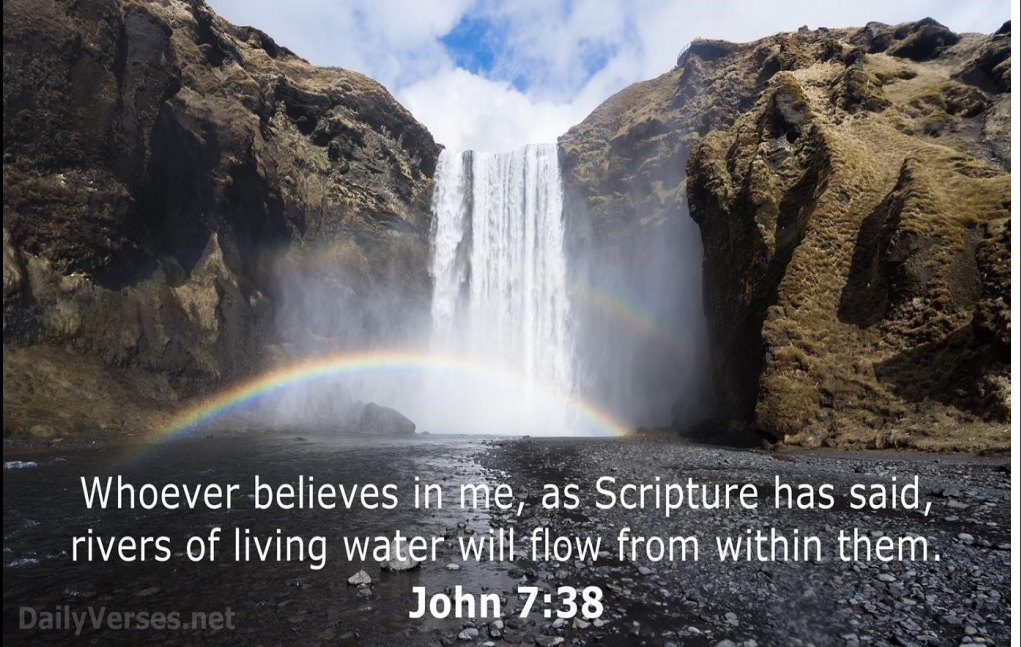

Neither of these are our physical blood pump, that we know as our heart. In **John 7:38** we read from the original, "He that believeth in me, as the scripture hath said, out of his belly shall flow rivers of living water".

This stands metaphorically for the innermost part of man, the soul and the heart.

Proverbs 23:7 When referring to a miser, states 'As a miser thinks in his heart so is he'

Proverbs 4:23 states, keep guard your heart with all diligence (above all else), for out of it spring the issues of life, (determines the course of your life)

Whoever believes in me, as Scripture has said,
rivers of living water will flow from within them.

John 7:38
