Kairos Course

Ever wondered how YOU might be involved in fulfilling Jesus' command to *make disciples of all nations*? **The Kairos Course** could be the answer! This 9 session interactive study on the World Christian Movement can change the way you see the world, the Church, and God's plan for both. Course begins Tuesday, 21st July, at City Church (252 Otumoetai Road). Cost is \$90. For more info, contact John Rentz (975 0781).

Day and night, the Mission is on call for seafarers in over 200 ports around the world. Seafarers need our help because they are often working in dangerous conditions, with no one else to turn to. Our chaplains send us stories about the men and women they support, and we tailor our help to each and every one of them.

- ◆ Over **90%** of world trade is carried by sea, providing work to **1.5 million seafarers**. Shipping is a truly international industry: in today's global market you might have a Greek-owned vessel, registered in Malta, with officers from India and a mixed crew from Thailand, Indonesia, Vanuatu and the Philippines.
- ◆ Shipping provides people with many opportunities: to see the world and to work in a job where you know you're making a difference.
- ◆ However, it is also one of the world's most dangerous occupations, with piracy, shipwreck and abandonment just some of the threats seafarers face. Mental health issues affect many seafarers, but our **volunteers** and chaplains are there to provide emotional and spiritual support, whether that's on board or at our Seafarers Centers.

The Weekend Sun says

They are the guardian angels of all merchant sailors on the high seas.

They are the Mission to Seafarers – a Christian charity serving the world's 1.5 million-plus merchant sailors manning about 52,000 vessels trading internationally.

And when those ships call into Tauranga, the local Mission to Seafarers offers respite from one of the most dangerous professions in the world.

The Mission to Seafarers is tucked away from the public gaze, behind the security gates at the Port of Tauranga and surrounded by the hurly burly of the nation's busiest port.

It quietly gets on with its work, each year offering more than 15,000 seamen a quiet space with sofas, a TV, piano, chapel, table tennis, pool tables, computers and phones. It's a home when the real home and family may be thousands of kilometres and months at sea away. There are also wise and experienced heads to listen and advise when necessary.

The Lord is my Pilot (Psalm 23 – maritime version)

The Lord is my pilot; therefore I shall not drift.

He leads me across the dark waters;

He steers me in steep channels; he keeps my log.

He guides me by the star of holiness for his name's sake.

I shall dread no danger, for you are with me.

You prepare a harbour for me in the homeland of eternity;

You anoint the waves with oil, my ship rides calmly.

Surely, sunlight and starlight shall favour me on the voyage I
take,

And I will rest in the port of my God for ever.

Amen
